Tessuto P.B.T, 100% poliestere e per questo inattaccabile dal cloro, garantisce perfetta vestibilità nel tempo e prestazioni tecniche ineguagliabili. Protegge dai raggi UV (UPF 50+), garantendo ottima traspirabilità e rapida asciugatura.
Darwin by Carvico è il tessuto ideale per costumi da bagno competition e per tutti gli sport acquatici, anche i più estremi.

A P.B.T fabric, made of 100% polyester and therefore absolutely chlorine-proof, it always ensures a perfect fit and unmatched techno-performance. It is UV protective (UPF 50+), breathable and fast drying.
Darwin by Carvico is perfect for the creation of competition swimwear and for all other water sports, even the most extreme ones.
