PRELUDE

MILANO

Prelude opens the Spring / Summer 2018 season with an exquisite luxury swimwear & beachwear collection, including six different lines, each of them being inspired by precious gemstones. The fine prints and fabrics, the delicate & ultra-glamorous accessories are all creatively used to craft a fashion-forward design.

With tremendous attention to detail, this collection showcases a handful of fashion statements that bring together the art and the technical knowledge, in a chromatic palette that looks like an exposition of gemstones. These marvellous swimwear pieces are completed by beachwear items that transcend this status, because of their volatile style & easiness to wear as regular clothing pieces.

The collection is dedicated to those who take in fashion as a part of their lifestyle and love the sense of quality, both in design and manufacture.

We blend the European tradition in manufacture, attention to detail, handmade work and premium fabrics & accessories from the most important European suppliers in the industry (mostly located in Italy, France, Austria and Switzerland).
